#### TRAVELING NEEDS.

The first thing necessary in order to take a summer trip is the "collateral" of the earth, next is the "glad rags," and the next one of the most important is a jim dandy trunk or suit case. Coulter has the very thing you need in both. Have you seen his "traveling window"? If not go down and take a look at it. Such a beautiful array of trunks and suit cases, you never saw before. They are the correct things. They are good. They will last. When you start on your trip be sure your baggage came from Coulter's. 200w42

#### HARVEY IS ALSO RANS 7.

In a spirited game of ball yesterday afternoon between a team of Bryan boys and Harvey the Harvey team was victorious by a score of 13 to 7. The game throughout was a slug fest and at no time from the start to the finish did the slugging stop. Everybody hit the ball and although the game was well played the score ran into large numbers. Harvey had a strong, fast team and put up the real stuff. The game yesterday afternoon was to be played by the Owls, but only two of the Owl team took part in the game.

There will be a meeting of the Retail Merchants tomorrow afternoon at the Carnegie Hall.

Frank Jones of Atwell, Callahan county, is visiting relatives here and at Harvey.

Mose Lipscomb was in today from the bottom.
